Chinese Forces in Arunachal Pradesh

2748. SHRI ASHWANI KUMAR: SHRI SHANKER SINH VAGHELA: SHRI PRAMOD MAHAJAN:

Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether there has been some advances by the Chinese forces in Arunachal Pradesh within the last three years; if so, the dates thereof; and

(b) whether it is a fact that the Chinese have constructed a helipad in our territory and it is being used by them; if so, what steps are being taken to restore this territory to India?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI K. NATWAR SINGH): (a) and (b) The Chinese Government do not recognise the validity of the McMahon Line which constitutes the International Boundary in the Eastern Sector although they regard the Line of Actual Control in the Eastern Sector as corresponding, by and large, to the McMahon Line. There are differences in interpretation of the McMahon Line between China and India, and due to these differences of interpretation, it is possible for infringements to take place.

These matters are under discussion with the Chinese Government and it is the policy of the Government of India to resolve them through peaceful negotiations.

विदेश यात्राओं के दौरान प्रधान मंत्री द्वारा प्रयोग में लाई गई भाषा

2749. **श्री जगदम्बी प्रसाद यादव :** क्या **विदेश** मंत्री यह बताने की कृपा करेंगे कि क्या विदेशों की अपनी हाल की यात्राओं के दौरान प्रधान मंत्री ने महत्वपूर्ण सम्मेलनों तथा उनमें दिए गए भाषणों में राजभाषा हिन्दी या किसी अन्य भारतीय भाषा का प्रयोग किया था ?

विदेश मंत्रालय में राज्य मंत्री (श्री के० नटवर सिंह) : प्रधान मंत्री ने हाल ही में अपनी विदेश यात्राओं के दौरान और महत्वपूर्ण सम्मेलनों में अपने भाषण अंग्रेजी में ही दिए थे लेकिन उन्होंने हिन्दी का भी समुचित प्रयोग किया, जैसे उन्होंने काठमाण्डु में "सार्क" शिखर सम्मेलन के अपने उद्घाटन अधिवेशन के भाषण में हिन्दी पदों का उच्चारण किया था ।

विदेशों में भारतीय मूल के लोगों की बिगड़ती स्थिति

2750 **श्री जगदम्बी प्रसाद यादव :** क्या **विदेश** मंत्री यह बताने की कृपा करेंगे कि विदेशों में भारतीय मूल के लोगों की बिगड़ती हुई स्थिति के क्या कारण हैं और इस संबंध में किसी समस्या से निपटने के लिए सरकार की क्या योजनाएं हैं ?

विदेश मंत्रालय में राज्य मंत्री (श्री के० नटवर सिंह) : यह कहना सही नहीं है कि विदेशों में भारतीय मूल के लोगों की स्थिति आमतौर से बदतर हो रही है। कुछ देशों में हालांकि उन्हें कठिनाइयों का सामना करना पड़ा है, लेकिन जहां वे रहते हैं उनमें से अधिकांश देशों में उन्होंने दूसरे समुदायों का सम्मान और सद्भाव अर्जित किया है । भारत सरकार उन्हें भारत और उन देशों के बीच सद्भाव का सेतु मानती है जहां वे रह रहे हैं तथा इस आधार पर और इन देशों में स्थित भारतीय मिशनों के माध्यम से भारत के साथ उनके सांस्कृतिक संबंधों को बराबर मजबूत करने की कोशिश करती रहती है । जब कभी किसी देश विशेष में कोई खास समस्या पैदा होती है तो उसके समाधान के लिए अपेक्षित कार्रवाई की जाती है ।

भारतीय मिशनों से यह अपेक्षा भी की जाती है कि वे विदेशों में रहने वाले भारतीय नागरिकों के हितों की रक्षा करेंगे ।

. Training of Science Entrepreneurs

2751. SHRI KAILASH PATI MISHRA: Will the PRIME MINISTER be pleased to state:

(a) whether the programme to train science entrepreneurs has made any progress; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) Yes, Sir.

(b) Details are given in the statement enclosed.

Statement

With a view toencouraging graduates in science and engineering to become entrepreneurs, a Board called National Science and Technology Entrepreneurship Development Board (NSTEDB), was constituted by the Department of Science and Technology in 1982. This Board has been engaged in the following training activities:

(1) Creation of awareness on entrepreneurship among science and engineering students.

(2) Training on entrepreneurship.

These activities are discribed below: —

Creation of awareness-. With a view to creating awareness about entrepreneurship being a possible vocation, camps lasting about 2-3 days have been conducted in various science and engineering colleges. Approximately 50-60 students of the final year attend such Camps under the overall supervision of the Principal of the College. So far, 121 such camps have been organised.

Training on entrepreneurship- Programmes, called Entrepreneurship Development Programmes (EDPs), meant to impart necessary skills in planning and managing enterprises have been conducted in various parts of the country. Each of theses programmes is of six weeks duration and trains about 20-30 S&T participants. Till date, 101 such programmes have been conducted and 2240 persons have been trained. Post-training counselling and guidance are also given for a period of about one year. Approximately 282 persons trained in these programmes have established units, of their own. These programmes have been well-received by the S&T community at large.
